Subject: Request for Permission to Resume Access to ChatGPT and Blackbox AI Tools

Respected Sir/Madam,

We, the undersigned members of the [Team/Department Name], respectfully submit this request for the reinstatement of access to ChatGPT and Blackbox AI tools, which have recently been disabled.

These tools have proven to be extremely beneficial in supporting our day-to-day tasks, including programming assistance, technical documentation, quick problem-solving, and research support. Their continued unavailability is affecting our efficiency and workflow.

We kindly request that permission be granted to resume the use of these tools. Furthermore, if any individual requires access to a specific AI-based URL or tool for their work, they may mention it below in this document for your review and approval.

We sincerely appreciate your consideration of this request and look forward to your favorable response.

Thanking you,

Sincerely,
